

PRECISION MOUNTING BRACKET

FC-1042 / ALUMINIUM 6061-T6 / DIMENSIONS IN mm

01 PLAN VIEW

02 SECTION A-A

GENERAL NOTES

1. Material: aluminium 6061-T6.
2. Deburr edges.
3. General tolerance: +/-0.10 mm unless stated.
4. Locating span and functional tolerance: see sheet 2.
5. Surface finish to be agreed for the demonstration.

FIXTURE DRAWING - NOT FOR PRODUCTION

Authored dimensions for a reproducible DFM demonstration.
Views are schematic. Do not scale. Engineering validation pending.

PRECISION MOUNTING BRACKET

FC-1042 / ALUMINIUM 6061-T6 / DIMENSIONS IN mm

03 LOCATING FEATURE DETAIL

Tolerance callout is retained in both revisions for engineer review.

ENGINEERING REVIEW

Confirm the assembly requirement and supplier process capability before changing this tolerance.

The drawing does not establish functional criticality or certify manufacturability.
